6:00 - 6:15 Woodshank, E. through Zоргdrager, A.

Because of the large number of conferences scheduled for each evening, each conference will be limited to 15 minutes. If you feel that more time is needed, we will gladly schedule an appointment with you at another time. Thank you for your cooperation.

January 19, 2010

Dear Parents:

In an effort to help each student have the best possible start at LPHS in the fall, the Guidance staff would like to invite you and your son/daughter to participate in a short conference with a counselor. The purpose of the meeting will be to review recommendations for required courses for freshmen year as well as to help make decisions regarding elective classes.

At the end of January, LaSalle-Peru High School Guidance Counselors will be going out to all of the area grade schools to meet with each 8th grade class. We will be sharing information regarding classes for freshman year as well as making preliminary course selections. When your student brings this information home, please spend some time reviewing the information so you will be prepared for the February conference.

As shown on the enclosed schedule, four evenings have been set aside for conferences. If possible, we would prefer that you attend your conference at the time indicated on the schedule. When you arrive at L-P, come to the Guidance Office to meet with a counselor as one becomes available. Please discuss elective course selections with your son/daughter prior to the conference in order to help expedite the conference.

Since we must have copies of our students' birth certificates, and we do not receive them from the elementary/junior high schools, **we ask that you please bring your child's birth certificate with you. We also need a copy of your child's social security card for our files.**

If you are unable to attend at your scheduled time, please call Betsy Wilke, Guidance Secretary, at 815-223-1721 ext. 751 and arrange for an appointment. It is important that we meet with you and your son/daughter to finalize his/her course selections. Students/parents who have not attended a conference or called regarding the schedule will be given a schedule based on teachers' recommendations. The assigned schedule will be the one the student will have to follow.

We look forward to meeting with you.

Sincerely,

Ellen Entwistle, Chairperson
Guidance Division

Enc.

NOTE: If your child is currently in a Special Education class (has an IEP) **do not** come to the above mentioned meetings. Your child's schedule will be determined at the special education annual review held at the grade schools. A guidance counselor from the high school will be present at that time to help determine courses.
