Guiding Principles for Planning:

1. Maintain the health and safety of all students and staff;
2. Provide meaningful and engaging learning experiences for all students;
3. Address the social-emotional needs of all students;
4. Provide clarity, consistency, and stability for all students and staff; and
5. Provide ongoing professional development for staff to address the learning needs unique to the time.

Health & Safety Protocols

Signs & Symptoms

Parents are responsible for keeping your child(ren) home if they are showing any signs or symptoms of COVID-19, which includes but not limited to fever over 100.4°; cough, shortness of breath, chills, fatigue, muscle & body aches, headache, sore throat, nausea, diarrhea, or vomiting. Signs of COVID-19 during the school day will be sent to the quarantine station.

Temperature & Symptoms Checks

Students will self-certify their temperature and symptoms each day by submitting a daily verification slip. Students not presenting their self-certification slip will be temperature and symptom checked by staff. Any students reporting and/or showing symptoms or having a temperature over 100.4° will be sent home after a parent is contacted.

Social Distancing & Contact Tracing

Social distancing of 6 feet from one another will be practiced **whenever possible**. The new guidelines allow for proximity to be reduced to 3 feet between students and fully vaccinated staff. However, this reduction **does not** change the 6 foot guidance regarding contact tracing and quarantine protocols. Quarantining will result when students are within 6 feet of a positive COVID individual for 15 minutes or more.

Masks

Masks covering the nose and mouth are required of staff and students. Two-layer gaitors may be worn as well.

School Sanitation

Classrooms have hand sanitizer and equipment to clean furniture and door handles each period. Custodial staff disinfect bathrooms every hour and at the end of each day. Cleaning includes applying disinfectant using an electro-static sprayer.

Transportation Information

Bus riders will be dropped off along 6th street and can enter at the Clock Tower or 6th Street Main Entrance. Student drivers, walkers, drop-offs, and bike riders can enter at the Social Science doors, 6th Street Main Entrance, or Clock Tower.
