~ Denotes two-season sports and are allowed waivers for both semesters.

**Cut sports (Varsity only): If/When a student fulfills try-out obligations and is cut from the sport:

- Before the first day of class in a given semester, a P.E. waiver will not be honored unless for another sport.
- After the first day of class and/or during a given semester, the P.E. waiver will be honored.

IMPORTANT – PLEASE READ CAREFULLY

Purpose of a P.E. Waiver: Award students participating in certain extracurricular activities that satisfy physical education expectations per IL Code of Law for physical education an opportunity to enroll in a different course.

- I understand that the class I am taking instead of Physical Education will be graded but the grade will not be calculated into my grade point average. **The class must be an elective class and not a graduation requirement.**
- I understand that I have the option of taking a study hall or school service which will not be assigned a grade.
- I understand that if I quit, decide not to participate, or am removed from a sport due to discipline, Physical Education will be added to my schedule with a grade of "F" and I will remain in the class being taken in lieu of it. A Physical Education class will be added to the following semester so that I remain on track for graduation.
- I understand that if I am cut from a sport before the semester has begun, a Physical Education class will be added to my schedule unless a waiver for another sport is obtained.
- I understand that if I am cut from a sport once the semester begins, the waiver will remain intact.
- I understand that this waiver must be received in the **Counseling Office prior to the first day of the semester.**
