

LPHS Athletics & Extracurricular Sponsorship/Advertising Guide

Proceeds from these sponsorships in 2017-2018 will support our extracurricular drug testing program, which is helping our students who participate in sports and other extracurricular activities lead healthy lifestyles; help our clubs and teams get new uniforms and equipment; allow us to outfit our redesigned Physical Education program that provides greater fitness opportunities for all LP students; assist in the inaugural LPHS Hall of Honor; and continue to do so much more for our athletic and extracurricular programs. Thank you for your support!
